An Introduction to

Speaker Deck

An easier way to
Share Presentations
No more broken formatting, plugin dependencies, or ugly embed frames.

No Clutter
Just Content

Tired of having your slides buried under ads and useless links?

Simply Upload Slides
As a PDF Document
We'll split up the PDF into slides and scale them for different versions.

Easily Share with our
Smart Embedder
We automatically scale your slides to the embedding website's layout.

So go ahead,
Give it a Try
